Bruce started racing in the 1970's with the original 1967 "Mystic Moods". He built her from the chassis, to the motors and to the transmissions. Bruce has taught his knowledge to his family and friends, now having his third generation racing. Bruce has shared his love and passion of racing with many friends, and our hope is to continue his legacy.

The purpose of this Scholarship is to provide, a Senior racer planning to attend a College or Vocational School within the next year, a Scholarship for Education.

Please tell us in one hundred words or less the best experience you have had in your racing career, and how you can use this experience to continue being a positive role model for our younger racers.
