

## WHERE CAN YOU GET \$100,000 IN EXCESS MEDICAL COVERAGE FOR \$100?

Anthem? Aetna? Blue Cross? Aflac? No, no, no and no. The answer is by simply becoming an IHRA member.

How many of us have insurance coverage for our automobile, home and loved ones? Chances are, almost everyone. But how many of us have medical coverage at the track if something happens? If you do have medical insurance, will it cover your expenses in a racing related accident?

Becoming a member of IHRA provides you excess medical coverage as a driver, crewmember or spectator. Racing at an IHRA track you have \$5,000 in excess medical coverage but as an IHRA member, if you are injured in a track-related incident, you'll receive **\$100,000.00** in excess medical coverage. If it's a serious injury and you are forced to miss work, your IHRA coverage will pay you \$200 a week for 26 weeks. No insurance company can provide you that much protection for the membership cost of only \$100 a year.

In addition to the coverage, you'll receive an IHRA membership and license that is good at the Summit Team Finals or any other IHRA event you choose to compete at over the course of the season. Once you become a member you can participate in the New 2018 Summit Sportsman Spectacular or obtain an "X" number and participate in the 2018 \$200,000 Summit Super Series program. Both of these include a 2018 IHRA rulebook, IHRA decals and medical coverage at all the IHRA events plus a competition license.

Protect yourself and your family with \$100,000 in medical coverage by becoming a competition member of IHRA TODAY!
